

CITY OF RICHLAND CENTER PUBLIC COMMENT FORM

The meeting agenda has a provision for receiving the views of citizens on City operations. Public comments will be received courteously and accorded an opportunity to be heard. Requests will be considered carefully. Action on the requests of delegations will not be taken at the meeting at which they are heard, unless this item is already listed on the agenda. Items that are not appropriate for public comment include but are not limited to: personnel matters, confidential pupil matters, other issues limited to closed session per state and federal statutes, partisan politics, and promotion of specific religions. Speakers should limit their comments to three minutes.

While the public has the right to attend City Council meetings, no individual or groups have the right to enter the deliberations of the Council. They may take part in the discussion only when the Council invites them to do so. Each speaker should receive recognition from the presiding officer, give his or her name and address, the organization he or she represents, and state his or her opinions briefly and concisely. There will be a limit set on the time any individual may consume in debate.

For your convenience, you may fill out the bottom of this page prior to the meeting and present it to the City Clerk / Treasurer. Or, you may request to be recognized during the item, "Public Comment" and state the same information. Filling out the information prior to the meeting will facilitate the process.

I would like to be recognized to speak during public comment.
